

Phase 5 Illinois Reopening Volunteer and Visitor Guidelines

-Per CDC and Illinois Guidance, effective June 11, 2021, if you are fully vaccinated the wearing of face coverings is optional. In addition, covid questionnaires and temp checks will not be required for those who have been vaccinated.

--Unvaccinated persons must wear face coverings, maintain six feet social distance. Covid questionnaires, and temp checks will also be conducted.

--When events are being held inside our facility, we may have large congregations of people and we may then require that face coverings be worn for the duration of the event and if youth are present.
